2 MS. DINGMAN: Hello to all of you who are  
3 here, the 715 Area Code hearing.

4 I'd like to thank everybody for coming to  
5 the hearing. My name is Joyce Dingman, I'm one of  
6 the staff members with the Public Service Commission  
7 on the numbering team, and we'll just call the  
8 Public Service Commission the PSC.

9 I'd like to introduce a couple other  
10 folks. First, Kathy Bakke, she's the head of the  
11 numbering team at the PSC.

12 And then Joe Cocke, he works for Neustar,  
13 which is the North American Numbering Plan  
14 Administrator, also called NANPA, and Joe will talk  
15 a little bit later about what's going on with 715  
16 and then we'll ask for questions and comments.

17 We have a court reporter here to take down  
18 the comments of the public, but since we do a  
19 presentation first and we already have that on the  
20 record, I'm going to ask her to go off the record  
21 while we do our presentation and then she'll come  
22 back on when it's time for questions and comments.

23 Off the record.

24 (Discussion held off the record.)

25 MS. DINGMAN: Okay. I wanted to check

1 first and see if there were any questions on the  
2 information we've provided so far.

3 (No response.)

4 MS. DINGMAN: Okay. Then this is your  
5 opportunity to let us know your thoughts about the  
6 area code relief possibilities. Is there anyone who  
7 would like to speak this afternoon?

8 (No response.)

9 MS. DINGMAN: If not, then I just would  
10 like to remind folks about the comment sheet at the  
11 side of the room. You can fill it out or leave it  
12 with us this afternoon, or it will also tell you  
13 other ways that you can send comments to the  
14 Commission.

15 Thank you very much for coming to the  
16 hearing. We really do appreciate it.

17 (The hearing concluded at 1:25 p.m.)
